DAYDREAM

Silky Serum

Serum with incredibly silky texture, it gives the skin a hydrated, not shiny aspect. Contains vitamins and Resveratrol. When applied daily the skin looks noticeably younger.

Packaging: 30 mL

Contour of eyes

Gel enriched with vitamins A, E, F, H and soluble hyaluronic acid prevents premature aging and reduces the appearance of fine lines and visibly firms the skin when applied to the eye area. Recommended for all skin types especially after 25 years.

Packaging: 30 mL

Anti-aging tired legs & feet

It re-comforts and leaves a resting feeling in the legs and feet. With bioactives that come from natural extracts that improve skin substantially. Enriched with sesame oil traditionally used in Ayurvedic medicine thanks to the moisturizing and emollient properties of its bioactive sesamol. With Phytoney CTG®, an exotic mixture of extracts acting on the epidermis as natural cell renewal, hydrating and antioxidant. With Staney C®, a mix of different relaxing and calming essential oils. In-Vitro proven efficacy in the control of substances involved in relaxation processes of the skin. Tested and approved dermatologically in Dermaconsult®, Germany.

Packaging: 240 g, 500 g and 1000 g

Photoprotector for extremely sensitive skin 50+ SPF

High Sun Protection Factor SPF 50+, tested by CLAIM™. Effective combination of sunscreens (Tinosorb S and M) synergized with high spectrum screen with maximal and optimal protection UVB/UVA and state of the art technology. Thanks to its tiny shaped particles screens, it achieves a protective screen against natural and artificial ultraviolet radiations, fighting premature aging and the formation of pigment spots induced by the sun. Effective formula and specially created for the protection of very sun-sensitive skin, that always burn intensely and never pigment. It also provides intense hydration thanks to the scleroglucan, vitamin E and shea butter.

Dermatologically tested

DAYDREAM

Age-Active

Anti-aging mask, it slows cutaneous aging processes thanks to its innovative biotechnological actives with Extremozymas™ whose clinical studies indicate that continued usage for 6 months outweighs the accelerated aging of 5 years. Contains a select blend of natural ingredients which have moisturizing and antioxidant action (hyaluronic acid and grape extract), and also Calmosensine® as restorative of the hydrophilic layer and reduces sensitivity to external irritants.

References: Grape and Peach

Packaging: 60 g

Hydro-Active

Moisturizing mask, designed with selected natural extracts such as organic Aloe vera, gotu kola and fucus algae, ideal for restoring the water balance of the skin. This mask is easily extensible and has a silky touch with different fragrances that produce a pleasant relaxing sensation.

References: Lemon and Apple.

Packaging: 60 g

Soothing & smoothing anti-aging mask

Soothing action mask, with moisturizing and conditioning properties thanks to its balanced formula of natural bioactives such as marigold, witch hazel, chamomile, amber and Calmosensine®, active that confers a feeling of well-being thanks to its soothing effect. It nourishes intensely thanks to the vitamin A, E, F, H, collagen and elastin complex. Softening and soothing effect in the post-facial and body cleansing processes, exfoliations and sun exposure. Rejuvenated skin with Phytoney CTG®, a mixture of exotic extracts that act on the epidermis as a cellular renewal, moisturizer and natural antioxidant. Tested and approved dermatologically in Dermaconsult®, Germany.

Packaging: 250 g and 500 g

Facial Cleanser

Facial cleanser gel for daily use. Its gentle moisturizing formula based on natural extracts, removes accumulated skin impurities during the day, providing moisture and softness.

References: Floral and Fruity.

Packaging: 250 mL

Tonic lotion

Highly moisturizing, revitalizing and refreshing tonic, this is thanks to its natural extracts of mango, guava, gooseberry and grape, rich in antioxidants that clean and texturize, leaving a florid and cool effect.

Packaging: 250 mL

Scrub Gel

Polyethylene granules scrub gel, which can be used for face or body. This scrub mechanically removes the horny layer and dead cells of the epidermis, softening the cell cement, promoting the cellular renovation and providing a thorough cleaning of the skin. It has anti-aging effect.

References: Chocolate, herbal and Grape.

Packaging: 250 g, 500 g and 1000 g

Lightening anti-aging natural vitamin C serum

New anti-aging serum with a high prevention power against premature skin aging, thanks to the natural vitamin C content of exotic fruits extracts, which offers a neutralizing effect of free radicals. Dermatologically tested and approved non irritant

Packaging: 250 mL

Firming neck & arms & body

Care and improves firmness and elasticity of the thin and fragile skin areas thanks to the synergistic mix of innovative peptides, olive oil Bio-actives, Kahai, Jojoba; Guaba extracts, Tibouchina, Camu-camu, Amber, Aloe, Arnica, barley, wheat and vitamin complex that gives the natural mechanisms contributing to re density, moisturize, nourish and soften of committed areas. With peptide messengers, capable of stimulating the production collagen and fibronectin responsible for skin firmness.

Packaging: 250 g and 500 g

Anti-aging contouring firming body cream

Effective firming and body conditioning formula with innovative bioactive moisturizers, antioxidants, cell renewers and firming agents. With olive and jojoba oils, witch hazel extract and Phytoney CTG®. Highly extensible to achieve an excellent modeling massage.

Packaging: 500 g and 1000 g

Complex Nutritive

Soft texture cream that nourishes and improves the elasticity of the cutaneous surface because it contains:

Vitamin (A) improves cell renewal,
Vitamin (E) antioxidant
Vitamin (F) highly moisturizing and emollient
Vitamin (H) It maintains the hidrolipidic balance of the skin.

Packaging: 1000 g

Reaffirmant cryogenic gel

Reaffirmant gel whose ingredients cause a decrease in skin temperature (cold shock). Reaffirms the skin by activating the skin tonification and turgor, without losing the skin moisture and humidity.

Packaging: 500 g, 1000 g and 4000 g

Thermic Gel

Non-greasy silky gel with characteristic odor that produces an increase in temperature when applied and massaged. Its thermogenic ingredients promote the lipomobilization of skin's adipocytes, improving shape when used daily. Useful in body treatments through appropriate drainage techniques.

Packaging: 500 g, 1000 g and 4000 g

Massage oil

Suitable for all skin types, designed to prevent and improve the unaesthetic manifestations caused by fat deposits, preventing body aging thanks to its natural oily ingredients such as sweet almond oil, rich in vitamins A and E with wheat germ oil, an anti free radical active.

References: Herbal, Orange and Grape.

Packaging: 250 mL, 500 mL, 1000 mL and 4000 mL

Anti-stretch marks liposomic gel

Cosmetic treatment which prevents and attenuates the formation of stretch marks, thanks to the action of ingredients with proven efficacy: REGESTRIL® which stimulates the neosynthesis of collagen and fibronectin, fundamental repair and tonicity re-structuring agent of the epidermis. Hyaluronic acid moisturizes and maintains the elasticity of the skin. RESULT: toned, smooth, even skin tone and free of stretch marks skin.

Packaging: 250 g

Anti-cellulites & lipo reducer gel

Cosmetic product effective for the treatment of cellulite with liporeductor effect, which adsorbs fat quickly, without leaving residue. Increases skin firmness, smoothness and softness with the decrease of dryness and the appearance of orange skin.

Packaging: 250 g

Moisturizer for hands and body

Silky, extremely white, high absorption cream. Maintains and reactivates the hydrolipid mantle. Recommended for elbows, knees and calves or scaly patches that flake off.

Packaging: 500 g and 1000 g

Hands & Body cream Aloe vera and vitamin E

Unique sensory cream that provides the high concentration of Aloe Vera extract. Gently softens, moisturizes, protects and perfumes the skin.

Packaging: 1000 g
